Date: 29th June, 2012

Subject: Partnership and Invitation to visit Gangtok, Sikkim

Dear Mr.Rimp Dorjee

Thank you very much for your letter of April 19th with your proposal to enter into a brotherhood partnership between our two clubs and your kind invitation to our club members to visit and experience the Himalayan hospitality.

As Fred Notter told us when reporting on his recent visit to Sikkim, he was kindly received and warmly welcomed by you, your family and other members of the Rotary Club Gangtok South. You have certainly heard that our club sponsors the „Children of Sikkim Foundation“ and „The „Human Development Foundation of Sikkim“ with yearly donations.

We are most grateful for the help you and your club members are willing to extend to our students, either in the form of career counseling, job search or local sponsorships and scholarships to our college students.

I presume that the most practical link between our two clubs will be the two distinguished club members MM. Baichung Lepcha on your side and Fred Notter on our side. Baichung will of course also serve as your contact and cooperation partner with regard to any help activity in favour of our students in Sikkim.

Three cheers and best wishes go to our new rotarian brothers in Sikkim as a start to a lifelong friendship between the Himalayas and the Swiss Alps.

Congratulation, much success and best wishes for your presidency starting July 1st., 2012!

With great joy and warm regards,

Christoph Arnet
President Rotary Club Allschwil
